If I had, if I had more
More would be laid at your feet
If you give me just a little smile
The dogs on my trail wouldn't drag me back to jail

I woke up in a horse's stomach
One foggy morning
His eyes were crazy and he smashed
Into the cemetery gates

All I want is to be a happy man
All I want is to be a happy man

I've seen teeth across the horizon
Fangs spanning yellow against the earth
There ain't nothing, yeah but ghosts
Fever, rabbit dreams and drunken boats

I woke up in a horse's stomach
One foggy morning
His eyes were crazy and he smashed
Into the cemetery gates

All I want is to be a happy man
All I want is to be a happy man

I woke up in a horse's stomach
One foggy morning
His eyes were crazy and he smashed
Into the cemetery gates

All I want is to be a happy man
All I want is to be a happy man
All I want is to be a happy man
All I want is to be a happy man

All I want
All I want
All I want
All I want
