The roof is leaking rust  
Disintegrates and dust  
I shot a man on sunday  
Now I'm a fugitive on monday

Yeah, oh we're  
In the dry

The sheriff on my trail  
To escort me to jail  
With bloodhounds fat and unhealthy  
I may be cornered but I'm wealthy

Yeah, oh we're  
In the dry

Yeah, oh we're  
In the dry

I rise to meet my rivals  
They shoot me with their rifles  
Now I'm lying by a pool  
On a blanket, moist and cool

Yeah, oh we're  
In the dry

Yeah, oh we're  
In the dry  
In the dry
