Angel eyes

And if you need me I can barely breathin
If you tease me when the water runs free
You see I just believe in miracles ohh
I gotta break away.

Ohh, I can't get enough
Ohh, of this real good love
Ohh, I can't get enough
Ohh, I want this real good love.

Akon - Chorus:
Girl it ain't a lie
You got them angel eyes
You make me wanna bring out the devil inside
The way you got that glow it's like you read my mind
You got them Angel Eyes
You got them angel eyes
Girl you got them Angel Eyes [x3]
Angel eyes.

All these just surrounding me,
But you know that I got these angel eyes
The way that... surround me
I know that I got this angel eyes

Ohh, angel eyes baby
Ohh, angel eyes baby
Ohh, for angel eyes baby
Ohh, from angel eyes baby

[Play:]
Girl you know you got them angel eyes
Good girl, bad girl, I like those eyes
Girl you had it bad and you say that I'm the worse
Lookin at your boots with a matching purse
Let me turn you out show you what I'm about

Ms Angel Eyes come ride with a G
I need somebody that will ride for me,
Not ride for free

Ohh, I can't get enough
Ohh, of this real good love
Ohh, I can't get enough
Ohh, I want this real good love.

Akon - Chorus:
Girl it ain't a lie
You got them angel eyes
You make me wanna bring out the devil inside
The way you got that glow it's like you read my mind
You got them Angel Eyes
You got them angel eyes
Girl you got them Angel Eyes [x3]
Angel eyes.

All these just surrounding me,
But you know that I got these angel eyes
The way that... surround me
I know that I got this angel eyes

Ohh, angel eyes baby
Ohh, angel eyes baby
Ohh, for angel eyes baby
Ohh, from angel eyes baby
