When you're gone
You'll be living in dualtone
And I'll be riding in my sea foam caddy

You'll be on your own
Watching re-runs of "Good Times"
Now who's begging for a sugar daddy

All you ever wanted was a rockstar baby
Keep me on the side and waiting for the next thing
All you ever wanted was a rockstar baby
Got that supermodel craving but you're trippin' on it

You see me now
I'm blowing like Vesuvius
And you be living in the suburbs baby

Take a look around
Who'da thought you'd be so ordinary
You could have been right here with me
Right here with me, yeah

All you ever wanted was a rockstar baby
Keep me on the side and waiting for the next thing
All you ever wanted was a rockstar baby
Got that supermodel craving but you're trippin'
You're trippin' on it

GUITAR SOLO

(Oooh yeah)

All you ever wanted was a rockstar baby
Keep me on the side and waiting for the next thing
All you ever wanted was a rockstar baby
Got that supermodel craving but you're trippin'
You're trippin'

A rockstar baby
For the next thing
(All you ever wanted was) A rockstar baby

Got that supermodel craving but you're trippin'
You're trippin' on it now
