Verse 1:

Never thought to light a candle
Never thought I had to gamble
I was feeling Mickey Mantle... Wasted
Driving up the one and frantic
Turned into an old romantic
I was sleeping in the attic... Waiting

Pre Chorus 1:

Can't nobody ever see
Don't make a mess of me
I aint to old to give a shit
I can turn a train around
I can take your country down
I aint to young to regret

Chorus:

Forever, Forever, I aint to young x3

Verse 2:

I was in New York living
Waiting in the cold Thanksgiving
Hoping I could ever dare to... Embrace it
I can play a part uptown
I can keep my nose on the ground
Never though I'd ever care to... Face it

Pre Chorus 2:

I could never understand
I was just a foolish fan
Taken to the edge just to see
Who said your mother was right
Who said your friends were just blind
Who could tell you I was free

Chorus:

Forever, Forever, I aint to young x4

Ending Verse:

I was in New York living
Waiting in the cold Thanksgiving

Hoping I could ever dare to... Embrace it
