I closed the door and half expected  
The party would be under way  
I'd have the single life perfected  
But the whole house was empty,  
That's when it hit me

Who do I kiss goodnight?  
How come I sleep so late  
When did this bed get so wide  
Why can't I concentrate?  
What good's a brand new start  
After true love walks out?  
Where do I put my heart?  
Nowhere now, nowhere now

I made a slight miscalculation  
Of just how forgiving you would be  
Now there's a minor complication  
When I come home,  
I'm all alone

Who do I kiss goodnight?  
How come I sleep so late  
When did this bed get so wide  
Why can't I concentrate?  
What good's a brand new start  
After true love walks out?  
Where do I put my heart?  
Nowhere now, nowhere now

Our tragic disses  
A million kisses,  
Give or take a few  
No one to give them to

Ahh  
Who do I kiss goodnight?  
How come I sleep so late  
When did this bed get so wide  
Why can't I concentrate?  
What good's a brand new start  
After true love walks out?

Where do I put my heart?  
Nowhere now, nowhere now  
Nowhere now, nowhere now
