"A Fun Bunch Of Guys From Outer Space"

We're a fun bunch of guys
And we come from outer space
On the planet where we're from
War is even fun
We're a fun bunch of guys

We're a fun bunch of guys
Here to infiltrate and get a tan
We arrived here from the sky
On that cream pie parked outside
We're a fun bunch of guys

We're a fun bunch of guys
We speak English real good
On our TV's in the sky
Your reruns come in fine
We're a fun bunch of guys

We're a fun bunch of guys
We're a fun bunch of guys
We're a fun bunch of guys
We're a fun bunch of guys
