### "Achoo"

Who knows what the winds gonna bring when the  
invalids sing  
"La la's" with a powerful sting that'll stop any opera or  
any Bing  
Sing, spread the news across the land  
All winners will be also-rans  
Achoo - one size fits everyone  
Achoo - one breath, the deed has been done

Grey hair and a dash and a flair give your doctor an air  
I'm hurt, but the choice that you made is an obvious  
one  
for a girl who needs care  
I do hope that he makes you well  
Say, is there any cure for Hell,  
Achoo - one size fits everyone  
Achoo - one breath, the deed has been done  
Sing, Ile de France and everywhere  
You can't ignore that sort of air  
Achoo - one size fits everyone  
Achoo - one breath, the deed has been done

So, open wide, open wide and say, open wide and say  
goodbye, you'll be OK

Achoo - he's gonna whisk you away  
Achoo - he's gonna make you OK
