Cool cool cool

I wanna go to cool places with you
I wanna take you cool places tonight
I wanna go where nobody's a fool
And no one says, uh, hey girl, need a light?
I wanna move like this and that
A minimum of chit chat
I never wanna cool down, cool down
Cool cool cool cool places tonight

I'm gonna tell you, you're lookin' real good
They let us in so I'm feeling alright
I like to go where sometimes they refuse
Yeah, I remember last Saturday night
But I'm feeling cooler now
And they could tell we're cooler now
It's obvious we're cooler now, cooler now
Cool cool cool cool places tonight

Cooler now, cooler now, cooler now, cooler now
I wanna go, I wanna go
I wanna go, I wanna go
I wanna go, I wanna go
I wanna go, I wanna go
Cool cool cool places

I wanna go to cool places tonight
I wanna go to cool places with you
And after that we'll slip out for a bite
A coffee shop and toast, coffee and juice
And then we'll sleep till 5 pm
And start it up all over again
I never wanna cool down, cool down
Cool cool cool

I wanna go, I wanna go
I wanna go, I wanna go
I wanna go, I wanna go
Cool cool cool places

Where's the cool places?
