Get in the swing, pal
Get in the swing
With everybody and everything
Get in the swing, pal
Get in the swing
With everybody and everything

My friends are here
Will mind if I go out and not come back again
Well, thanks a lot
Hooray, hooray
The night is younger than the girl who's got the touch
But not by much

Well, I ain't no Freud, I'm from L.A.
But I know certain things
That they also serve who sit and wait
They're cheaper than paintings
And don't need explainings

Get in the swing, pal
Get in the swing
With everybody and everything

When Salmon spawn
A ton of water blocks their motion
Spoils their game
But on they go
Thrashing 'til their mission is fulfilled or else
Oh, but they have their friends
And have a warm bed waiting
Just like I do with you
I'm happy, so happy, I'm happy, oh happy

Get in the swing, pal
Get in the swing
With everybody and everything

All for one, one for all
All for one, one for all
All for one, one for all

Get in the swing , pal
Get in the swing
With everybody and everything

Get in the swing , pal
Get in the swing
With everybody and everything

Get in the swing , pal, get in
Get in the swing , pal, get in

Get in the swing , pal
Get in the swing
With everybody and everything
