I tried to tell you in the night
that with a girl like you i could do without guided tours
you tried to tell me in the day
that your leading exports were textile and iron ore

Hasta manana, monsieur
were the only words that i knew for sure
hasta manana monsieur were the 3 little words that i
knew you'd adore

Leaving my syntax back at school
i was thrown for a loss over gender and simple rules
You mentioned Kant and i was schoked, so shocked!
You know where i come from none of the girls have
such foul tongues.

Hasta manana, monsieur
were the only words that i knew for sure
hasta manana monsieur
i'm gonna do it now
c'est la vie, c'est la mort, say no more, no no more.

its all the same
whether here or there or anywhere
theres them who have
and there are the others who have not.

Kimono my house, mon amour
i am sure that this notion dont need no accompanying
words
guess i was wrong because you fled
leaving me with my michelin guide
in a half empty foreign bed

Hasta manana, monsieur
were the only words that i knew for sure
hasta manana monsieur were the 3 little words that i
knew you'd adore

Hasta manana, monsieur

were the only words that i knew for sure
hasta manana monsieur were the 3 little words that i
knew you'd adore
