You're the only bank that's open all night, La Dolce Vita  
Now that's clear, can you give me a light, La Dolce Vita  
Now that that's clear, when do we eat? La Dolce Vita  
Now that that's clear can I have another plate of your  
La Dolce Vita

CHORUS

Goldiggers arise

Goldiggers are hungry guys

Goldiggers are we

Step up follow me

Mira, mira, guys, there's Lira in her eyes, La Dolce Vita

Looking real bored is what you pay me for, La Dolce  
Vita

Looking real bored's as hard as scrubbing floors, La  
Dolce Vita

I'm overpaid but still I'll ask for more, La Dolce Vita

Baby, after all you've got to help the poor, La Dolce Vita

CHORUS

Mira, mira, guys, there's Lira in here eyes, La Dolce  
Vita

I catch a cold just by looking in your eyes, La Dolce Vita

That's just a hazard in work of this kind, La Dolce Vita

Baby you're looking younger every day, La Dolce Vita

I really mean it, it ain't just the pay, La Dolce Vita

CHORUS

Mira, mira, guys, there's Lira in her eyes, La Dolce Vita

Life isn't much, but there's nothing else to do, La Dolce  
Vita
