We lie marooned on a tropical isle in the sun  
Someday they'll come, take us back with a dumb  
"welcome home"  
Until that day arrives  
Lucky me, lucky you  
Lucky me, lucky you  
I'll lose my tan and the very next day you'll be gone  
I 'll get a job and I'll marry a marvelous blonde

Until that day arrives  
Lucky me, lucky you  
Lucky me, lucky you  
Maybe the world has decided we died in that gale  
We were the ones who they voted most likely to fail  
Lucky me, lucky you  
Lucky me, lucky you
