She hides her katana in the shower
You see she sings when she comes out
She sings when she comes out
She sings when she comes

Here little kitten sitting in the sunlight
I bet you're dreaming that you are a lion now
Cuz you are a lion now
Oh you're such a lion

Baby
C'mon and tell me what there is
To let this go

Straight faces and few one liners
Oh my
Sweet talkers
Just like suga on your ta ta ta ta ta tongue

I'm just a lion lying to ya darling
Oh this crown means shit
I'm not the king
But I can give you anything

When your eyes turn to grey
Oh come on

Here's to the boys that stay up all night
Here's to the floors we passed out on
I dream of mornings in her bedroom
I am gone oh I am gone

Cause I'm the bird outside your window
Singing songs before you wake

Oh it's just one heart break after one heart break tell
me how much can you take

Here's to the boys who stay up all night
Here's to the floors we passed out on
I dream of mornings in her bedroom

I am gone, oh I am gone
Cuz I'm the bird outside your window
Singing songs before you wake
It's just one heartbreak after one heartbreak
Tell me how much can you take?
