I'll grab the sun and the moon  
I'll hold the world in my hand  
These things are easy for me  
I can't make you understand

Pulling rabbits out of a hat  
Pulling rabbits out of a hat  
All I get is polite applause  
Applause, applause, applause  
Applause, applause

Marvel at heaven and hell  
(Marvel at heaven and hell)  
Gasp at the Champs-Elysees  
(Gasp at the Champs-Elysees)

Raise the Titanic and then  
(Raise the Titanic and then)  
I see you turning away

Pulling rabbits out of a hat  
Pulling rabbits out of a hat  
All I get is polite applause  
Applause, applause, applause  
Applause, applause

Entertaining that's the word I get from you  
Entertaining and then you bid a fond adieu, well, adieu

I'll make a pauper a King  
(I'll make a pauper a King)  
I'll turn your water to wine  
(I'll turn your water to wine)

These things are easy for me  
(These things are easy for me)  
How come I can't change your mind?

Pulling rabbits out of a hat  
(Pulling rabbits out of a hat)  
Pulling rabbits out of a hat  
(Pulling rabbits out of a hat)

All I get is polite applause  
(All I get is polite applause)  
Applause, applause, applause  
Applause, applause

Applause, applause, applause  
Applause, applause  
Applause, applause, applause  
Applause, applause
