I found my thrill
I found my thrill
I found my thrill in Beverly Hills
Folks call her Jill
Folks call her Jill
Folks call her Jill but that ain't what I call her
She's like a star
She's like a star
She's like a star in some long running TV series
And we make love
And we make love
And we make love all the time
CHORUS
Come - the shopping mall of love
Come with me - the shopping mall of love
Quality - the shopping mall of love
All for free - the shopping mall of love
She makes me laugh
She makes me laugh
She makes me laugh
She makes me laugh
She makes me laugh
She makes me laugh
CHORUS
She's so uninhibited
She's so unlimited
That's just the start
She's so magnificent
She's so significant
A work of art
Like the Mona Lisa
The Venus de Milo
The Pieta
Or a Reclining Nude On The Wall
I found my thrill
I found my thrill
I found my thrill in Beverly Hills
CHORUS
