I'm loyal, I'm faithful, I trust you  
Then Friday, I walk in and bust you  
With someone else  
CHORUS  
Stop me if you've heard this before  
Stop me, stop me  
Stop me if you've heard this before  
Stop me, stop me  
I'm wary of lasting relations  
Since you started taking vacations  
With all my friends  
CHORUS  
I know what you do  
I know what you're up to  
I know what you do  
I know what you're up to  
I lie here, I'm waiting, debating  
I know you, you're out there, gyrating  
With someone else  
CHORUS  
-----
