Zoo time is 'she and you' time  
The mammals are your favorite type, and you want her  
tonight  
Heartbeat, increasing heartbeat  
You hear the thunder of stampeding rhinos, elephants  
and tacky tigers

This town ain't big enough for the both of us  
And it ain't me who's gonna leave

Flying, domestic flying  
And when the stewardess is near, do not show any fear  
Heartbeat, increasing heartbeat  
You are a khaki-colored bombardier, it's Hiroshima that  
you're nearing

This town ain't big enough for the both of us  
And it ain't me who's gonna leave

Daily, except for Sunday  
You dawdle in to the cafe where you meet her each day  
Heartbeat, increasing heartbeat  
As twenty cannibals have hold of you, they need their  
protein  
Just like you do

This town ain't big enough for the both of us  
And it ain't me who's gonna leave

Shower, another shower  
You've got to look your best for her and be clean  
everywhere  
Heartbeat, increasing heartbeat  
The rain is pouring on the foreign town, the bullets  
cannot cut you down

This town ain't big enough for the both of us  
And it ain't me who's gonna leave

Choosing, the girl is choosing  
Between the man who's [Incomprehensible] is you  
Heartbeat, increasing heartbeat

There is a [Incomprehensible]

This town ain't big enough for the both of us  
And it ain't me who's gonna leave

Shower, another shower  
You've got to look your best for her and be clean  
everywhere  
Heartbeat, increasing heartbeat  
The rain is pouring on the foreign town, the bullets  
cannot cut you down

This town ain't big enough for the both of us  
And it ain't me who's gonna leave

This town ain't big enough  
This town ain't big enough  
This town ain't big enough  
This town ain't big enough  
This town ain't big enough  
This town ain't big enough

Census, the latest census  
There'll be more girls who live in town though not  
enough to go around  
Heartbeat, increasing heartbeat  
You know that

This town isn't big enough, not big enough for the both  
of us  
This town isn't big enough, not big enough for the both  
of us  
I ain't gonna leave
