Chorus:

Hey, asshole  
See the sun is shining  
But you are not smiling  
And I don't know why, and I don't know why,  
And I don't know why.  
I'm an asshole  
'Cause the sun is shining  
But I am not smiling  
And I don't know why, and I don't know why,  
And I don't know why.

[George Watsky:]

I know I'm often told  
That there's a pot of gold  
But I don't see a fucking rainbow and my coffee's  
cold  
I know I should be grateful  
I know I'm good and able  
But I don't have the strength to get up from the  
kitchen table  
This kind of shot comes once  
Another opportunity of a lifetime just slipped away  
And that's the fifth this month  
but when you take a punch  
Don't you ever forget  
Why you get up and you put one foot in front of the  
next

Got the power of my will  
I don't need a to win a mil  
But I'm looking at window sill  
Gotta take a bitter pill  
Gonna pay for what I did to my head and my heart'll  
foot the bill  
Got a foot in my mouth and because I'm kicking  
myself I developed a habit of knocking out my front  
tooth  
Looking uncouth  
want to hear the truth  
Give it to me straight

151 proof

Telling myself itâ€™ll happen when Iâ€™m happy but Iâ€™m  
climbing up a ladder that has got no end  
Hung up on a rung Iâ€™ll never make it to the top, Iâ€™m  
looking at the bottom and I must descend  
All I want to do is buck this trend  
Everybody need a buck to spend  
And Iâ€™ll be working on myself, til I work on someone  
else, til I get there Iâ€™ma just pretend

I know Iâ€™m often told  
That thereâ€™s a pot of gold  
But I donâ€™t see a fucking rainbow and my coffeeâ€™s  
cold  
I know I should be grateful  
I know Iâ€™m good and able  
But I donâ€™t have the strength to get up from the  
kitchen table  
This kind of shot comes once  
Another opportunity of a lifetime just slipped away  
And thatâ€™s the fifth this month  
but when you take a punch  
Donâ€™t you ever forget  
Why you get up and you put one foot in front of the  
next

Chorus:

Hey, asshole  
See the sun is shining  
But you are not smiling  
And I donâ€™t know why, and I donâ€™t know why,  
And I donâ€™t know why.  
Iâ€™m an asshole  
â€™Cause the sun is shining  
But I am not smiling  
And I donâ€™t know why, and I donâ€™t know why,  
And I donâ€™t know why.

[George Watsky:]

When Iâ€™m in a crisis  
In a moment of silence  
I look under my eyelids  
And Iâ€™m checking my mileage  
I been using a pool of water as a mirror but not for style  
itâ€™s  
So I can reach in and pimp slap my reflection for acting  
childish,  
Spent a half an hour  
sitting at the bottom of my shower  
letting the water run over my body and (dammit I  
wanted to get up) but I didnâ€™t have the power

I don't have the answers anyway yay (yay yay yay)  
Don't want to panic but I got to come clean  
because the plan of the planet is just mean  
Knew it was tough, but dammit it's obscene  
I been huffing and puffing up to the top of the summit  
and I'ma rough it if I have enough steam  
I'll keep on coming and coming until I'm coming with  
the stamina of a salmon who's heading upstream  
Nah nah nah nah nah  
Nah nah nah nah nah  
Nah nah nah nah nah Â...
