Lyrics:

And I think about u all the time x4  
We was standing alone,  
Leaning in to speak to me  
acting like u rule,  
I feel u move closer to kiss me  
and I think about u all the time,  
Sweet sensations all over me  
and I think about u all the ti ie ie me,  
Passion desire so intense,  
I cant take anymore  
I feel the magic around u,  
its bringing me to my knees  
Just like I wanna b  
I gotta be chained to uooooohhh  
wooooh ooooooh oooh oh x2  
As you've looked in2 my eyes a sudden surge of  
urgency,  
Fascination a spell,  
And you became more than just a mystery,  
And I think about u all the time,  
And now u won't even speak to me,  
Wondering what it was I did whrongggg  
take 10 steps back,  
Won't go away he's always shutting me out,  
Is this the way that your gonna be,  
Are u shutting me out for goooood,  
If that's the way u want it to be,  
You can have it your way  
I feel the magic around u,  
It's bringing me to my knees  
Just like I wanna b  
I gotta be chained to uooooohhh  
wooooh ooooooh oooh oh x2  
And I think about u all the time x2  
(Tell me its madness I barely know you)  
And I think about u all the time  
(I want u to move)  
And I think about u all the time  
(I cant take it)
