I can't live
With you breathing down my neck

I want the world to stop spinning
And throw you into outer space
I want to be the reign of terror
I'll be the judge, you'll have to face

So stand your ground if you can
Stand your ground if you can
You can't hurt me, I took your hook
There's no more cheeks to be turned

I want to live my life, want to live my life
The way that I want to
I can't lose my mind, I won't give my life to you
I, I can't live my life, I can't live my life
The way you want me to
I, I can't lose my mind life, I can't live my life
With you breathing down my neck

I want the ground start shaking
And open up to swallow you
I want to see the fear in your eyes
As you are falling through

And your falling too fast to catch
Falling too fast to catch
You can't hurt me, I took your hook
Now there's no more cheeks to be turned

I want to live my life, want to live my life
The way that I want to
I can't lose my mind, I won't give my life to you
I, I can't live my life, I can't live my life
The way you want me to
I, I can't lose my mind life, I can't live my life
With you breathing down my neck

Get up! Check!
Come on! Come on!
Move!

I want to live, I want to live
I want to live, I want to live
I want to live, I want to live
I want to live

I want to live my life, want to live my life
The way that I want to
I can't lose my mind, I won't give my life to you
I, I can't live my life, I can't live my life
the way you want me to
I, I can't live my life, I can't live my life
With you breathing down my neck

Oh, with you breathing down my neck
Oh, with you breathing down my neck
Oh, with you breathing down my mother fucking neck
