Here, alone, broken from the fall
Can't find you, were you here at all
NO

Grind me up lost inside
My faith
In the end, I put you in my place

There's no shame in what's been
Done to me
Keeps me burning, never sets me free

Once you learn to fight
They'll have to face you
Once you know you're right
They'll try to erase you
Before they get to you
And take your freedom
Pass the power

Here alone, live through you
Pain
But it's not me or have i gone
Insane

There's no shame in what's
Been done to me
Keeps me burning, never sets
Me free
You wont' find me sulking from
My fate
You won't even infiltrate me
Faith

Once you learn to fight
They'll have to face you
Once you know you're right
They'll try to erase you
Before they get to you
And take your freedom
Pass the power
Pass the power
