You made me love you
I didn't wanna do it
I didn't wanna do it
You made me want you
And all the time you knew it
I guess you always knew it
You made me happy sometimes
You made me glad
But there were times
You made me feel so bad

You made me sigh for
I didn't wanna tell you
I didn't wanna tell you
I want some love
That's true, yes i do
'deed i do, you know i do
Gimmy, gimmy what i cry for
You know you got the brand of kisses
That i die for
You know you made me love you
Give me, give me what i cry for
You know you've got the brand of kisses
That i die for
You know you made me love you
