Running, running  
Beneath my skin  
Deep in my thoughts  
Seeds growin'  
No chance to run away  
No chance to hide  
Wherever I go  
It's by my side

No will to get enough  
Gonna play it harder  
And my last move  
Will be stronger  
The soul is chasing  
I'll be raising  
For the winner  
There's no cheating  
Let me go down  
Let me down  
Let me go down  
Let me fall

Fighting, seeking  
My way out  
Come and scream  
Your hatred loud  
Finally ended  
This wrong world  
That I created

It's like poison  
Rushing right into my veins  
Won't stop the nails  
Sinking in my hands  
Don't try to pull me away

Can't loose my way  
Let me die here  
Cause I'm an  
Unforgiven bitch
