Will it ever be?  
I've tried so hard to find sweet serenity  
Are you still afraid?  
Just close your eyes and dream, and feel it fade away.

Time won't flow, everyone knows  
When the pain fades away  
And dreams won't die, with tears in our eyes  
You've got to hold your head up high..

It's taken some time,  
And I've given up the will to change your state of mind  
Try and understand,  
It's not so hard to see that I am just a man.

Time won't flow, everyone knows  
When the pain fades away  
And dreams won't die, with tears in our eyes  
You've got to hold your head up high..

Will it ever be?  
I've tried so hard to find sweet serenity  
Try and understand,  
It's not so hard to see that I am just a man.

Time won't flow, everyone knows  
When the pain fades away  
And dreams won't die, with tears in our eyes  
You've got to hold your head up high..
