(Eric Benet)

It's not your situation

I just need contemplation over you (over you)

I'm not so systematic

It's just that I'm an addict for your love (ooh...oh)

Am I the only one that holds ya

I never ever should have told ya you're my only girl

(never should have told you)

Am I the only one that holds ya (no, no)

I never ever should have told ya you're my only world

(Eric Benet)

Just think how long I've known ya

It's wrong for me to own ya lock and key (lock and key)

It's really not confusing

I'm just a young illusion, can't ya see, hey yeah

(yeah...yeah)

Am I the only one that holds ya (no, no)

I never ever should have told ya you're my only girl

(never should have told me)

Am I the only one that holds ya (hey, yeah)

I never ever should have told ya you're my only world

(no no no)
