She was college edjamacated but got fired up at the
law office
I'm all alone two kids at home, I need a job just any job
So I can get back on my feet like Tina 'T'(urner)
The boss came up to her said, 'why don't you come
home with me'
I'd like to see you take off your clothes for me
She said 'No way man!'
He said 'You don't understand'
'You lose your life, you lose your job if you don't do this

I met a black man who became a police officer
Officer, officer, officer, officer, officer, overseer
He tried to tell me it was the only job available
Either rob or join the mob 'cause I'm not salable
One night he went out on an undercover sting-ing
Bought some smack tried to break the heroin ring-ring
Two cops white cops saw juggling goin' down
They spilled his brain like homey the fuckin' clown
(He's gone!)
Mama Mama Mama Mama I couldn't say no
Got sick and tired of seein' people bein' treated ill
Picked up my nines, walked up from behind
Tapped two of them on the neck so I could meet their
eyes direct
Pom! Pom
