Deny what you've done
Never looking back
Act like nothing happened
Just leave behind your fear

I've got nothing to live for
Can't seem to let this go

I'm trapped in my own mind
I'm looking for the answers

The way you left us
With no answers
Sudden and shameless
All that I had is gone

I've had enough of your broken promises
The trust you've broken
It cannot be mended

I've got nothing to live for
Can't seem to let this go

I'm trapped in my own mind
I'm looking for the answers

These wounds, they are so deep
I'll have the scars for life

The way you left us
With no answers
Sudden and shameless
All that I had is gone

I know that it's forever
You're never coming back

(Micah):
How can I go on
You've left me all alone
Nothing I say can change your faith

You're never coming back

I'm trapped in my own mind
I'm looking for the answers

These wounds, they are so deep
I'll have the scars for life

That life is now a memory
Took all I had
Abandoned me

To do this on my own
