This was supposed to be the day it all came together  
This was supposed to be our time

It's just another overcast day in akron and I am waiting  
for  
A development in this attraction to be something more

'Cuz as far as I know, it's always sunny in ohio until you  
go

Go ahead and cast me off into obscurity and I will do  
the same  
There's no need to meet on a plane of maturity  
So just let me fade away

'Cuz as far as I know, it's always sunny in ohio until you  
go
