Stop the time for me and my lover
So we are together forever in love
Can you stop the time for me and my lover
Make this summer for ever

Stop the time for me and my lover
So we are together forever in love
Can you stop the time for me and my lover
Make this summer for ever

(Stop the time)
(Stop the time)

Stop the time for me and my lover
So we are together forever in love
Can you stop the time for me and my lover
Make this summer for ever

Stop the time for me and my lover
So we are together forever in love
Can you stop the time for me and my lover
Make this summer for ever

(Here we go!)

Stop the time for me and my lover
So we are together forever in love
Can you stop the time for me and my lover
Make this summer for ever

(Gotta give me a hardcore base)

(Stop the time)
Stop the time for me and my lover
So we are together forever in love
Can you stop the time for me and my lover
Make this summer for ever

Stop the time for me and my lover
So we are together forever in love
Can you stop the time for me and my lover

Make this summer for ever
