Your way is hard and long.

You're like a rider on a battle.

My way is hard and long.

Your way is hard and long.

To reach my dream makes me strong.

To reach your dream makes you strong.

Nothing and no one can stop me.

Nothing and no one can stop you.

I'm unstoppable.

You're unstoppable.

I'm like a rider on a battle.

You're like a rider on a battle.

I'm ready to charge and I never give up.

You're ready to charge and you'll never give up.

It's your last chance to surrender.

It's the last chance to surrender.

Cause I've got no time to loose.

Cause you've got no time to loose.
