Stop the time for me and my lover
So we are together forever and ever
Can you stop the time for me and my lover
Make this summer forever

Stop the time for me and my lover
So we are together forever and ever
Can you stop the time for me and my lover
Make this summer forever

(Stop the time)
(Stop the time)

Stop the time for me and my lover
So we are together forever and ever
Can you stop the time for me and my lover
Make this summer forever

Stop the time for me and my lover
So we are together forever and ever
Can you stop the time for me and my lover
Make this summer forever

(Here we go!)

Stop the time for me and my lover
So we are together forever and ever
Can you stop the time for me and my lover
Make this summer forever

(Gotta give me a hardcore base)

(Stop the time)
Stop the time for me and my lover
So we are together forever and ever
Can you stop the time for me and my lover
Make this summer forever

Stop the time for me and my lover
So we are together forever and ever
Can you stop the time for me and my lover
Make this summer forever
