The last ever she saw him
Carried away by a moonlight shadow
He past on worried and warning
Carried away by a moonlight shadow
Lost in a rythm on a saturday night
Far away on the other side
He was caught in the middle of a desperate fight
And she couldn't find how to push through

The trees whisper in the evening
Carried away by a moonlight shadow
Sing a song of sorrow and greeving
Carried away by the moonlight shadow
All she saw was the silhouette of a gun
Far away on the other side
He was shot six times by a man on the run
And she couldn't find how to push through

I stay
I pray
see you in heaven far away
I stay
I pray
see you in heaven one day

Fall down in the morning
carried away by a moonlight shadow
I watched your vision falling
Carried away by a moonlight shadow
A star was glowing in the silvery night
Far away on the other side
Where you come to talk to me this night
But she couldn't find how to push through

I stay
I pray
see you in heaven far away
I stay
I pray
see you in heaven one day
