Yo, Special turn it up
There's nothing I won't do
Anything you want me to
I can't keep my hands of you
There's nothing I won't do
And so I don't know why
No matter how I try
I can't wave my dreams goodbye

Wave my dreams goodbye

There's nothing I won't do
Anything you want me to
I can't keep my hands of you
There's nothing I won't do
And so I don't know why
No matter how I try
I can't wave my dreams goodbye

There's nothing I won't do

Kick it
I wanna see you move your ass like it's on fire
I wanna feel the bass

Damn it's gettin' hot

Here we go again!

Come on

There's nothing I won't do
Anything you want me to
I can't keep my hands of you
There's nothing I won't do
And so I don't know why
No matter how I try
I can't wave my dreams goodbye

There's nothing I won't do

Let's make love

Yeah, yeah

Yo, welcome ladies and gentleman

Here we go

Welcome all you headbanging booty shaking

Rumb bumpin' beat bouncin'

music's lovers out there

I wanna see you move your ass like it's on fire

No disrespect yo

The song is out for anybody who wants to listen to it

Nothing I won't do

Ohhhhh, nadabdaada

Nothing I won't do

Nothing I can't do

There's nothing I won't do

Anything you want me to

I can't keep my hands off you

There's nothing I won't do

And so I don't know why

No matter how I try

I can't...

(Break - Asia)

There's nothing I won't do

Anything you want me to

I can't keep my hands off you

There's nothing I won't do

And so I don't know why

Have no matter how I try

I can't wave my dreams goodbye

There's nothing I won't do

Here we go!

The song is out for anybody who wants to listen to it

Get ready for the show

I wanna feel the bass

Here we go again!

Come on

There's nothing I won't do
Anything you want me to
I can't keep my hands of you
There's nothing I won't do
And so I don't know why
No matter how I try
I can't wave my dreams goodbye

No Disrespect yo!
