These dreams go on when I close my eyes  
Every second of the night I live another life  
These dreams that sleep when it's cold outside  
Every moment I'm awake the further I'm away

These dreams go on when I close my eyes  
Every second of the night I live another life  
These dreams that sleep when it's cold outside  
Every moment I'm awake the further I'm away

These dreams go on when I close my eyes  
Every second of the night I live another life  
These dreams that sleep when it's cold outside  
Every moment I'm awake the further I'm away
