Beat doctor

Lets welcome 'em Body Head style

I smoke, I drank I tote that iron

Yeah I'm ridin through your neighborhood

Bumpin, blowin on some good

I keep a glock and got a big drop underneath my hood

I'm from Atlanta

Ol' school like some grey vannah

Right up the street from Florida, Tennessee and

Alabama

I keep 'em working

keep a pistol, cause these niggaz shady

I hit Louisiana just to say whats happenin baby

Say I'm a timer, diamonds all up in my watch piece

The Whip painted chrome please make 'em watch me

I smoke and drank wanna stop but I can't

So I guess smoking an drankin all the way to the bank
to the bank

I'm switchin lanes rollin up purple stank still

Sippin that purple stuff cause I'm addicted to drank

[Hook]

I smoke, I drank I'm supposed to stop but I can't

I'm a dog

I love hoes

And I'm addicted to money, cars and clothes

Do it big then

Do it big nigga

Do it big nigga

Do it big nigga

[Magic]

Now I ain't got nothing but dick for you hoe's

I won't trip

Ain't sick for you hoe's

Ain't got nothin to give to no nigga

Deal with no nigga

Chill with no nigga

I'm a keep a stack of that funny smelling tobacco

Heater in my hand
Nigga ready to act up
Got damn fool
Ignorant mutha fucka, bout to lose my cool
Let me smoke a Kool
So I can calm my nerves
Find me a duck, get some head in the burb
I'm a fool with them hoe's nigga
That's my word
Show me a dime
And I bet I'm getting served
Everybody know me probably saw me half cocked
Drunk, high in the club
bout to get it hot
Louisanna nigga
down here we gets buck
and if we ain't fightin
it's probably cause we're to fucked up

[Hook]

I drink good and hell I feel fine
But see I'm a Young Blood bitch and I'm high
No I don't sip wine
Boy I sip Goose see
18 shots of Petrone done got me loose
now we're buying out the bar
we pourin up them dranks
tryin to stop this madness
I'm slizzered but so I can't see

can't stand a fuckin hater

I'm serving in my Chevy about to let these niggaz know

[RJJ]

That Roy gone ball
Cause Roy got bread
