Stop your messing around,
Better think of your future.
Time you straighten right out,
Creating problems in town.
Rudy, a message to you Rudy.
A message to you.
Stop your fooling around.
Time you straighten right out.
Better think of your future,
As you wind up in jail.
Rudy, a message to you Rudy.
A message to you.
Stop your messing around.
Better think of your future.
Time you straighten right out,
Creating problems in town.
Rudy, a message to you Rudy.
A message to you Rudy.
Oh, it's a message to you Rudy.
Yeah, it's a message to you Rudy.
Its a message to you Rudy...
