You're working at your leisure to learn the things you'll
need

The promises you make tomorrow will carry no
guarantee

I've seen your qualifications, you've got a Ph.D.
I've got one art O level, it did nothing for me.

Working for the rat race
You know you're wasting your time
Working for the rat race
You're no friend of mine

You plan your conversation to impress the college bar
Just talking about your mother and daddy's Jaguar
Wear your political t-shirt and sacred college scarf
Discussing the world's situation but just for a laugh

You'll be working for the rat race
You know you're wasting your time
Working for the rat race
You're no friend of mine

Working for the rat race
You know you're wasting your time
Working for the rat race
You're no friend of mine

Just working at your leisure to learn the things you
won't need

The promises you make tomorrow will carry no
guarantee

I've seen your qualifications, you've got a Ph.D.
I've got an art O level, it did nothing for me.

Working for the rat race
You know you're wasting your time
Working for the rat race
You're no friend of mine
