I'd rather be blind than have two evil eyes.  
A backward boy can see from behind.  
Abortion is advocated,  
Only by those who have themselves been born.

They're taking away our D.N.A.  
They're taking away our D.N.A.  
Are you going to breed retarded children?  
Are you going to breed retarded children?

Everybody is ignorant, only on different subjects.  
Drunks and children tell the truth,  
Insanity is a kinda innocence.

They're taking away our D.N.A.  
They're taking away our D.N.A.  
Are you going to breed retarded children?  
Are you going to breed retarded children?

I wanna live

Birds stop singing when you shoot them down.  
Holes in my wings will show me the ground.  
A creature born is a creature that's dying.  
Statistics can breathe, our numbers are sighing.

Are they going to breed retarded children?  
Are they going to breed retarded children?  
They're taking away our D.N.A.  
They're taking away our D.N.A.  
They're taking away our D.N.A.  
Taking away, away, away  
They're taking away our D.N.A.  
They're taking away, away, away  
They're taking away our D.N.A.  
They're taking away our D.N.A.  
They're taking away our D.N.A. yeah!  
Taking away our D.N.A.  
D.N.A.,  
D.N.A.,  
D.N.A.,

D.N.A,  
D.N.A,  
D.N.A,  
D.N.A,  
D.N.A.
