See him walk along this lonely street

Trying to find, find a future

New pair of shoes are on my feet

Cause fashion is my only culture

Nothing ever change (x2)

People say to me just be yourself

It makes no sense to fallow fashion

How could I be anybody else

I don't try I've got no reasons

Nothing ever change (x2)

I'm just living in a life without meaning

I walk and walk - do nothing

I'm just living in a life without feeling

I talk and talk - say nothing

I walk along this same lonely street

Still trying to find, find a reason

This man comes and smacks me in the teeth

I don't complain it's not my concious

Nothing ever change (x2)

I'm just living in a life without meaning

I walk I walk - do nothing

I'm living in a life without thinking

I talk I talk - say nothing
