What a weepin' and wailin' down a Caymanas park

What a weepin' and wailin' down' a Caymanas park

Long Shot, kick de bucket

Get up, get up in the first race

And them pull up the pace

Get up, get up in the first race

Them wail, them wail, them trail

But they couldn't take the trail

Them wail, them wail, them trail

But they couldn't take the trail

Long Shot, kick de bucket

What a weepin' and wailin' down a Caymanas park
