If you have a racist friend

Now is the time, now is the time

For your friendship to end

Be it your sister, be it your brother

Be it your cousin, or your uncle, or your lover

If you have a racist friend

Now is the time, now is the time

For your friendship to end

Be it your best friend, or any other

Is it your husband, or your father, or your mother

Either change their views

Or change your friends

If you have a racist friend

Now is the time, now is the time

For your friendship to end

So if you know a racist who thinks he is your friend

Now is the time, now is the time

For your friendship to end

Call yourself my friend

Now is the time to make up your mind

Don't try to pretend

Be it your sister, be it your brother

Be it your cousin, or your uncle, or your lover

So if you have a racist friend

Now is the time, now is the time

For our friendship to end
