"Racist Friend"

If you have a racist friend, now is the time, now is the
time for your friendship to end
Be it your sister, be it your brother, be it your cousin or
your uncle or your lover
If you have a racist friend, now is the time, now is the
time for your friendship to end
Be it your best friend, or any other, is it your husband
or your father or your mother?

Tell them, change their views or change their friends,
now is the time, now is the time for your friendship to
end

So if you know a racist who thinks he is your friend, now
is the time, now is the time for your friendship to end
Call yourself my friend, now is the time to make up
your mind, don't try to pretend
Be it your sister, be it your brother, be it your cousin or
your uncle or your lover
So if you are a racist, our friendship has got to end
And if your friends are racist, don't pretend to be my
friend
So if you have a racist friend, now is the time, now is
the time for our friendship to end
