Why did you try to hurt me  
Did you really kill me  
Tell me why (x3)  
Why do we have to fight  
Why must we fight  
I have to defend myself from crack last night  
I know I am black  
You know you are white  
I'm proud of my black skin  
And you are proud of your white  
Why did you try to hurt me  
Did you really kill me  
Tell me why (x3)  
We don't need no british movement  
Nor the Ku Klux Klan  
Nor the national front  
Make me a angry man  
I just wanna live in peace  
Why can't you be the same  
Why should I live in fear?  
You'll follow like sheep in a wolf's clothes

You too scared to make a speech

Do you really like

Without a thousand police

Protecting your rights

Protecting under your views

Inside the fights

But you will protect me

From you in the night

Why did you try to hurt me

Tell me why (x3)

Did you really kill me

Tell me why (x3)

You'll follow like sheep in a wolf's clothes
