When I met you girl, I cried,  
Because you are so fine,  
You meant more to me than gold,  
Trusting you loving me,  
But one mistake of my part,  
it wounded my heart,  
What must I do,  
To have you here again.

Let me hold your hands  
And kiss your lips once more,  
A promise is a promise,  
Stay forever yours,  
Let me hold you close,  
and feel you warm embrace,  
cuz nothing on earth will ever take you place,  
because I love you.

When I lost you girl, I died  
I thought we had it all.  
People said we'd last forever.  
But I knew it wouldn't last.  
So I tried the best that I could,  
To give the love that I should,  
What must I say,  
To have you here again.

Let me hold your hands  
And kiss your lips once more,  
A promise is a promise,  
I'll stay forever yours,  
Let me hold you close,  
And feel your warm embrace,  
Cuz nothing on earth will ever take you place,  
Because I love you.

But even when I sleep at night,  
Thought of you still on my mind.  
And I know I must be stronger in this,  
Let me hold your hands, more than ever,  
Let me kiss your lips,

You're the one I truly miss.
