WHITE TERRIER:

I like trips to the park, whatever the weather.
The sound of a terrier's bark, walking together.
I like cake and scones, ice cream cones,
Chocolate cake, big milkshakes,
I like anything two can share.
But most of all I like the dog with the bow in her hair.

I like barbecues, and fancy pools of water.
Switcherooz, and playing on the teeter totter.
I like flying kites, starry nights,
True friendships, taking trips,
And if I could go, I'd go anywhere,
Just to be near that dog with the bow in her hair.

Oh, yes. We're two birds of a feather, that's true.
Best friends forever, that's the way I feel about you.

I don't think iv'e ever known anyone cuter,
The dog with a bow is riding on a razor scooter.
I'm for her, she's for me, we're as happy as two can be,
That's why I like anything built for two,
'cause a dog with a dog with a bow in her hair, she likes
me too.
