PINK PONY:

Do ya, do ya love jelly beans?

CARAMEL LION:

And yeah I do I love them beans.

WHITE TERRIER:

Do ya, do ya love chocolate cake?

CARAMEL LION:

And sure I love that scrumptious cake.

PERSIAN CAT:

Do ya, do ya love ice cream pie?

CARAMEL LION:

Oh why you got to ask me why, why, why?

PRETTY PANDA:

How do you feel about licorice?

CARAMEL LION:

Oh my, oh my how I love that dish.

My favorite thing of all

Just like a bunch of sticky goo.

My favorite food of all...

Is a big bad bowl of caramel soup.

WHITE TERRIER:

Caramel soup

Caramel soup

CARAMEL LION:

Yeah get a bunch of marshmallows, mix 'em up.

And you put some cinnamon, in a cup.

Throw some sprinkles in, just with style.

And heat it all up, and stir for a while.

You drop the caramel, ever so slow.

Until you get that, tasty glow.

Stir and stir and take your time,
You want to be sure it tastes so fine.

If not so crunchy
If you want to be sure,
If you're not feeling well,
Well this is the cure

PINK PONY:
Replace ice cream...
But don't forget that ice cream scoop.

Soon you'll have your dream...
Of a big bad bowl, of caramel soup.

WHITE TERRIER:
Caramel soup
Caramel soup

CARAMEL LION:
Now I know some people,
And here's what they say.
Have yourself, an apple a day...

Then there are those that like their greens,
I get their point, I know what they mean.

I guess those foods just aren't my style.
They might be good, but they don't make me smile.
Some of those veggies, make me wanna cry.

I'm a sucker for sweets,
I got pie in my eye...

I love my big bad bowl, of caramel soup.

WHITE TERRIER:
Caramel soup
Caramel soup
Caramel soup
Caramel soup
Caramel soup
Caramel soup
Caramel soup
