PINK PEGASUS:

I was born in Webkinz World
With a body of a horse and the wings of a bird
But my wings are too small and I can hardly flap
So I sit on the bench without a word
Then in three minutes, I would make a wish
Upon a star reflected in the well
By saying I want to fly just like the rest of the Pegasi
I'm longing to fly, I need to fly
Why are my wings so small?
I'm longing to fly, I need to fly
Oh, I don't feel so happy at all
I'm waiting for my wish to come true
While eating my rainbow soufflé©
How can I stay on the ground?
Please, wishing star, fulfill my day

SPARKLING PEGASUS:

Don't give up, pink Pegasus,
I've got a golden cousin of mine
Who's always on my side without a secret to tell

GOLDEN PEGASUS:

My rainbow-maned cousin is right, new friend
We're here to make your life divine
You can take your food with you, my golden gyro won't
make you blue

SPARKLING PEGASUS:

My twinkling waffles can make you shine
So I think we'll make your life divine

SPARKLING & GOLDEN PEGASI:

Our foods are different but we are ripe and the same
type

PINK PEGASUS:

Can you help me fly?

GOLDEN PEGASUS:

Of course, we're much obliged even when you didn't

try.

SPARKLING PEGASUS:

Give us your hooves and then we'll flap until you feel
much better

PINK PEGASUS:

Oh, I can fly...

GOLDEN PEGASUS:

We'll grant your wish when we hold both your hooves
And your eyes won't get any wetter

PINK PEGASUS:

Oh, I can fly...

SPARKLING & GOLDEN PEGASI:

We're both your helpers and we're right here with you

PINK PEGASUS:

Oh, I can fly...

SPARKLING & GOLDEN PEGASI:

We'll let you stay with us forever if it's true

PINK PEGASUS:

Oh, I can fly...

SPARKLING & GOLDEN PEGASI:

We are your friends and glory never ends

PINK PEGASUS:

And in the sunset, I'll put on my pajamas
Eat vegetable pizza for dinner and my special food for
dessert
Next, I'd brush my mane and teeth then I'll have to go
to sleep
In my rainbow cloud couch so I would never ever be
hurt

GOLDEN PEGASUS:

She wants to fly...

SPARKLING PEGASUS:

We made her feel alright

GOLDEN PEGASUS:

She wants to fly...

SPARKLING PEGASUS:

I guess we have to give her more flight

GOLDEN PEGASUS:

She wants to fly...

SPARKLING PEGASUS:

But now, we'll put a blanket on her back

GOLDEN PEGASUS:

She wants to fly...

SPARKLING PEGASUS:

So she'll be cozy until the sky turns black

Good night

GOLDEN PEGASUS:

Sleep tight

SPARKLING & GOLDEN PEGASI:

Don't let the bed bugs bite

Thanks to Kimberly
