Once upon a summer day
Beside a lazy street
I lay down and close my eyes
And here's what I did dream...

I used to live in France
The capital of fashion
They're famous for romance
But I prefer their passion
The fancy clothes they wear
The way they style their hair
And when I'm over there
I can hardly blink
And everytime I dream, I dream in pink

I like the sound of jazz
And interesting rhymes
Those cats just ooze pizzazz
They sing in swing time
When I go on the town
I like to clown around
And when I lay my head down
I give myself a wink
Cuz' everytime I dream, I dream in pink

Cotton candy clouds
Over magenta trees
I see a hopping house
Filled with rose and coral cookies

scat singing

It's a beautiful world out there
And we can make it better
There's a rainbow everywhere
If we put our hearts together
There's a color I'm thinking of
Suits us just like a glove
It's the perfect color of love
At least that's what I think
And everytime I dream, I dream in pink

It's a beautiful world out there
In pink, I dream in pink
Everytime I dream, I dream in pink
Everytime I dream, everytime I dream
