You're so cool.

You're as cool as ice.

You walk in the room with those shades on your eyes.

Porkpie hat and rhinestone shoes.

Here comes another round of those Iceman Blues.

When the sun goes down and the lights go up,

You hop on stage and you strut your stuff.

The band plays all night. No time to snooze.

Here comes another round of those Iceman Blues.

When you hang around with seals you get seal silly,

Sitting 'round the igloo eating Iceberg Chilli.

Somebody shouts out a request you can't refuse.

Here comes another round of those Iceman Blues.

You're in a jazz quartet,

With a husky on base.

A fox plays guitar,

And your drummer's called "Ace".

You can play the saxophone.

Man you can really blow.

Come on All Star,

Let's hear you go.

(Webkinz pets snapping their fingers)

You're so cool they call you ice.

You're so cool they call you ice.

You're so cool they call you ice.

You're so cool they call you ice.

You're so cool they call you ice.

You're so cool so cool so cool they call you ice.

You're so cool they call you ice.

You're so cool they call you ice.

You're so cool they call you ice.

You're so cool they call you ice.

You're so cool they call you ice.

You're so cool so cool so cool they call you ice.  
You're so cool they call you ice.  
You're so cool they call you ice.  
You're so cool they call you ice.  
You're so cool they call you ice.
